

# AGHIRE LUNCH & LEARN

## Yuba-Sutter-Colusa Employer Input Needed

### What is AgHiRE?

AgHiRE is a training program designed around regional employer needs that prepares Spanish-speaking supervisors to confidently take on greater roles and responsibilities within their operations, supporting employers in developing stronger, more capable teams.

### Share Your Input

AgHiRE received funding to explore expansion to Yuba-Sutter-Colusa counties. Employer insight will directly shape how the program is adapted for this region.

“Since the program, he has taken on increasingly complex managerial responsibilities and contributed to important decisions, allowing us to step back and let him handle things.”

- Wynette Sills, Pleasant Grove Farms
